## **OVERVIEW OF Xi'an**

15. The City of Xi'an (lit. "Western Peace") is located south-west of Beijing, two hours

by flight. Home to the renowned Terracotta Warriors and the impressive Bell Tower. Xian was China's capital in ancient times and was its trading and military base during the Tang Dynasty in the early 7th Century. It was also the starting point for many a traveler on the Silk Route made famous by the early adventurer Marco Polo.

#### 16. Recommended Attractions

**(1) Terracotta Army:** The Terracotta Army is a collection of over 8,000 life-sized clay soldiers, horses, and chariots that were buried with China's first emperor, Qin Shi Huang. This remarkable archaeological site was discovered in 1974 and has since become one of China's most popular tourist destinations.

**(2) Xian City Wall:** The Xi'an City Wall is one of the best-preserved ancient city walls in China. Spanning over 13 kilometers, it encloses the historic center of Xi'an. Visitors can walk or cycle on top of the wall and enjoy panoramic views of the city.

**(3) Giant Wild Goose Pagoda:** The Giant Wild Goose Pagoda is a Buddhist pagoda that was built in the Tang Dynasty. It stands at 64 meters tall and offers a great vantage point to enjoy the cityscape.

**(4) Shaanxi History Museum:** The Shaanxi History Museum is a comprehensive museum that shows cases the history and culture of Shaanxi Province. It houses a vast collection of artifacts, including pottery, bronzes, calligraphy, and Tang Dynasty murals.

**(5) Muslim Quarter:** Located in the heart of the city, the Muslim Quarter is a vibrant neighborhood known for its Islamic culture and cuisine. Visitors can explore the bustling market streets, sample local snacks, and visit the Great Mosque, which is one of the oldest and largest mosques in China.

**(6) Bell Tower and Drum Tower:** The Bell Tower and Drum Tower are iconic symbols of Xi'an. The Bell Tower, built in 1384, houses a large bell that was used to mark the time in ancient times. The Drum Tower, located nearby, features a huge drum that was used to keep time and warn of emergencies.
