

	TUE 12 NOV World Leaders Climate Action Summit	WED 13 NOV World Leaders Climate Action Summit	THU 14 NOV Finance, Investment and Trade	FRI 15 NOV Energy/Peace, Relief and Recovery	SAT 16 NOV Science, Technology and Innovation/ Digitalisation	SUN 17 NOV Rest Day
9:00	09:00 - 10:00: MERI The Role of Environmental Philanthropy in the Triple Crisis	09:00 - 10:30: WMO Climate Services in Action: Five years' progress and Future Pathways			09:30 - 10:30: IPCC IPCC -Task Force on National Greenhouse Gas Inventories (TFI) - The IPCC Inventory Software to report under the UNFCCC Paris Agreement	
10:00			10:00 - 13:00: IPCC Plans for the IPCC Seventh cycle: a Consultative Workshop	10:00 - 13:30: WMO Key climate-sensitive sectors: - Agriculture Adaptation to Climate Change - Outcomes of the Drought Resilience +10 Conference - Renewable energy - Health impacts and climate	09:30 - 10:30: IPCC Reconciling anthropogenic land use emissions between global models and national inventories	
11:00	10:45 - 12:15: MERI Triple Crisis and governance: How to accelerate the achievement of the 30x30	11:15 - 12:30: WMO Climate Jigsaw - Piecing together the Regional Climate			12:30 - 13:30: IPCC IPCC TFI Activities in the seventh assessment cycle	
12:00		12:30 - 13:30: WMO, IPCC & AMAP The Arctic in a Changing Climate				
13:00	12:30 - 13:45: MERI Briefing on IUCN's position and recommendations for COP29					
14:00	14:00 - 15:30: IPCC Cities in the spotlight: status of the IPCC Special Report on Climate Change and Cities	14:00 - 18:00: MERI Advancing into the Coastal Cities Resilience (14:00 - 15:45)	14:00 - 17:00: WMO Early Warnings for All (EW4All) Progress and Cross-Learning Forum	14:00 - 18:30: MERI What can the Ocean Decade do to foster the Triple Crisis solutions	14:00 - 18:00: WMO Earth Observations in support of climate mitigation and adaptation	
15:00						
16:00	16:00 - 17:30: IPCC Drilling down: regions and spatial [and temporal] detail in the IPCC's Seventh Assessment Report	14:00 - 18:00: MERI Opportunities and Challenges for Subnational Climate Action: Experiences and advances from Chile		15:30 - 17:00: MERI Shipping and Climate: Addressing the Triple Planetary Crisis		
17:00						
18:00		18:00 - 19:00: MERI Launch of the IUCN Red List of Ecosystems Update on Corals (18:00 - 19:00)		17:15 - 18:30: MERI Achieving Climate Resilience through Regenerative Seascapes		
19:00						
20:00						

	<b>MON 18 NOV</b> Human Development/Children and Youth/Health/ Education	<b>TUE 19 NOV</b> Food, Agriculture and Water	<b>WED 20 NOV</b> Urbanisation/Transport/Tourism	<b>THU 21 NOV</b> Nature and Biodiversity/Indigenous People/ Gender Equality/Oceans and Coastal Zones
9:00	<b>09:00 - 10:30: MERI</b> Success stories for sustainable education focusing on teachers	<b>09:00 - 10:30: MERI</b> An effective model for nature conservation to meet the 2030 targets		<b>09:00 - 10:30: JOINT EVENT</b> Ancestral skills and climate change: Learning from our ancestors (09:00 - 10:30)
10:00			<b>10:00 - 11:30: WMO</b> State of Our Global Water Resources: Enhancing Knowledge for Climate Action	<b>Power, Knowledge &amp; Governance.</b> Exploring power dynamics in (climate) knowledge (10:45 - 12:00)
11:00	<b>11:00 - 12:00: MERI</b> Innovation, digitalisation and Climate Change, a space to conquer	<b>11:00 - 12:30: MERI</b> Financing the Triple Crisis: When costs are an investment	<b>11:30 - 12:30: WMO</b> Cryosphere	<b>Climate Science: How do we think and feel about it?</b> (12:15 - 13:30)
12:00			<b>12:30 - 13:30: WMO</b> What if water could talk? - An art performance by Meeting of Waters	
13:00	<b>12:30 - 13:30: MERI</b> Climate crisis or human crisis? The urgency of moving towards a global understanding of environmental problems			
14:00	<b>14:00 - 16:00: IPCC</b> Towards a robust economic and policy assessment for Working Group III: ways to improve in AR7	<b>14:00 - 15:30: MERI</b> Integrated strategies for sustainability	<b>14:00 - 15:30: MCTI</b> How Can Societies Better Use Scientific Data to Support Public Policies?	<b>14:00 - 16:30: JOINT EVENT</b> Communication, Creativity & Storytelling Solutions (14:00 - 15:00)
15:00				<b>Intergenerational Dialogue: Demanding Accountability</b> (15:15 - 16:00)
16:00	<b>14:00 - 16:00: UNESCO</b> From Insight to Action: Advancing Scientific Frontiers through the Intergovernmental Hydrological Programme	<b>16:00 - 18:00: MERI</b> An integrated approach: Gender responsive Nature-based Solutions for Climate, Nature and People		<b>Closing &amp; Call to Action</b> (16:00-16:30)
17:00				<b>16:30 - 18:00: MERI</b> Advancing NbS and Ecosystem-based Approaches for Adaptation: Successful practices and lessons from the field (16:30 - 18:00)
18:00				
19:00				
20:00
