[Table A]

List of observing stations recognized nationally under the 75+ years scheme

Note: The below table lists WMO-acknowledged observing stations, which have been recognized nationally according to the recognition mechanism for 75+ years observing stations (cf. Guidelines on the WMO Recognition of Long-term Observing Stations, WMO-No. 1354, WMO, 2024). Such stations have a history of at least 75 years and less than 100 years, and it is encouraged to submit these stations for recognition as WMO Centennial Observing Station upon completion of 100 years of history.
